Where can I find out more about GT Instructional Seminars at our school?

- Grade-Level/Team Pages in Canvas
- School's GT Resource Team
- School's HCPSS News

Placement Process for GT Math

Placement for GT Math for the 21-22 school is still to be determined by the GT Office.

GT Curriculum Extension Units

Curriculum Extension Units

Curriculum Extension Units (CEUs)

- Interdisciplinary
- Advanced-level content
- 2 per grade taught during the corresponding content block for two synchronous lessons per week
- All students considered as part of GT CEU Placement Process using multiple criteria.

Placement Process for CEUs

- Multiple performance measures used to indicate readiness for participation.
 - Performance tasks
 - Writing samples
 - Standardized test scores (MAP, MCAP, CogAT for 4th and 5th)
 - Teacher recommendation

Supporting Your Child

- Communicate with your child's classroom teachers and the GT Resource Teacher.
- Encourage your child to take advantage of enrichment opportunities, such as GT Instructional Seminars.

Nurturing Advanced Behaviors at Home

Advanced Language	Logic and Reasoning	Motivation and Persistence	Leadership	Perspective
Increase use of sophisticated language.	Share your thinking. Think sequentially.	Ask thought-provoking questions.	Show how you solve problems. Discuss strategies and create new ways to solve problems.	Discuss various perspectives.
Ask provocative questions.	Take things apart and put back together – ideas, objects or experiences.	Encourage independence.	Model taking initiative.	Demonstrate and model flexibility in your thinking by examining opposing points of view.
Point out similarities and differences.	Organize collections or ideas in insightful ways.	Show curiosity about ideas, events, experiments, experiences.	Set high expectations.	Embellish/expand thoughts, perspectives, etc.

Opportunities for Parent Engagement

- Become a GT Resource volunteer
 - Guest Speaker/Presenter
